YOU ARE INVITED TO  
JOIN US THIS **EASTER!**

Each year, we celebrate Easter—the resurrection of Jesus—a time of new life and new beginnings. The Passion Week traces Jesus' final journey—from the Last Supper to the Cross. We watch the story unfold, but if we look closely, we see two stories, two outcomes. To the casual observer, it seems that Jesus is dying, losing His life. But to the faithful follower, He is laying it down. To those nearby, it looks like He is being executed, humiliated. But to those who see the full picture, He is actually being exalted. He is not merely dying on a cross—He is ascending to His throne. We watch Jesus becoming King.

Join us this Easter as we tell both stories, as we witness what lies beyond the veil. We will watch as light overcomes darkness, as death gives way to life. Because He is Risen... He is Risen indeed!
